## Property Porn: \$10.5 Million Russian Hill Condo

By Tina Cuevas on March 11, 2015 4:30 PM

Thanks to this pad's floor-to-ceiling windows, you can wave hello to Karl the Fog whenever he blankets Russian Hill. And it'll only cost you a jarring \$10.5 million. Take in full views of San Francisco from every corner of this stunner, as well as the three (yes, three) balconies. Recently stripped down to its studs, this newly renovated apartment is decked out with stone floors and lime-painted walls. It also comes stocked with custom-made furniture. (No Ikea for you! Just kidding; if you can afford this gem, you wouldn't dare step foot inside Ikea.) Building perks include a heated pool, fitness center, doorman, and serious bragging rights.
